**ORDER GRANTING MOTION FOR ACCOUNTING AND PRELIMINARY
INJUNCTION AGAINST DEFENDANT GEORGE A. MAZZANT, III**

THIS MATTER came before the Court for hearing August 18, 2011 (the “Hearing”) upon Plaintiff’s Motion for Accounting, Temporary Restraining Order and Preliminary Injunction Against Defendant George A. Mazzant, III (the “Motion,” Docket No. 7).

The Court is fully advised of the premises based upon (i) the Motion, (ii) the proceedings in and record of this Chapter 7 case (initially filed as a Chapter 11 case) of which the Court takes judicial notice, including, without limitation, (A) the hearing conducted on June 7, 2010 (the “Trustee Hearing”) resulting in the Court’s direction that a trustee be appointed in this case and (B) the adversary proceeding No. 10-06305 in which the Trustee was granted a temporary restraining order permitting him to secure the inventory at a pawn shop which Debtor initially failed to list as an asset of the estate, and (iii) the evidence presented and the arguments of all parties-in-interest made at the Hearing.

Based upon such premises, the Court is of the opinion that the Motion should be granted on the terms and conditions set forth in this Order. This Order constitutes the Court’s findings of fact and conclusions of law under Bankruptcy Rules 7052 and 9014.

After reviewing the allegations contained in Plaintiff’s Complaint and the Motion for Preliminary Injunction, the Court finds that Plaintiff will be irreparably damaged unless a Preliminary Injunction is entered. The Court finds that Plaintiff has shown a substantial likelihood that Plaintiff will prevail on the merits of his claims that Defendant has failed to either account for or turn over substantial property which he took from G&G for no apparent consideration.

The Court also finds that Plaintiff does not presently have an adequate remedy at law and that the issuance of a Preliminary Injunction would harm the Defendant less than the denial of the request would substantially harm Plaintiff.

The Court finds that the injunctive relief requested is in the public interest because 1) the public has an interest in the integrity of the bankruptcy process; 2) as the owner of G&G, Defendant has a duty to cooperate with Plaintiff to account for (and to return) missing assets, and 3) the creditors of G&G have the right to expect that the assets belonging to G&G will be available to pay valid claims

IT IS THEREFORE ORDERED that Plaintiff's Motion for Accounting and for Preliminary Injunction is granted ONLY to the extent set forth herein;

FURTHER ORDERED that Defendant, or any person acting through or on behalf of Defendant, and any person who has notice of this order, be and hereby are restrained and enjoined from taking any action to dispose of any property in the possession or control of Defendant which Defendant took from G&G (or property that he claimed to be his own but that had been offered for sale at G&G) under his characterization of such acquisition as salary, compensation, dividend, profit or otherwise.

FURTHER ORDERED that, within thirty (30) days of the date of entry of this Order, Defendant shall file a sworn statement or affidavit specifically accounting for the property listed on the attached Exhibit "A" (and any other property or inventory which Defendant took from G&G or which he claimed to own but which was offered for sale at G&G), specifically including where such property is kept, and if such property is not in his possession, custody or control, specifically account for how he disposed of the same, identify the party to whom and when he transferred or sold each such item, identify and trace all proceeds that he received for such property, and account for and produce all records documenting all of the foregoing.

The Court retains jurisdiction in this matter for the consideration of imposing appropriate sanctions against Defendant if Defendant fails to fully comply with this Order.
